Dear Sirs:

I realize my complaint does not contain my commissary account information. I have requested this information through our kiosk system of communication only to be told "Have your attorney get it". The jail administration has refused to provide names for the medical staff or themselves and they do not wear name tags or identify themselves when I have asked. I have been told "That is so you can't sue us". I was sentenced to Oklahoma DOC in October of 2023 and am waiting to be transferred. Unfortunately this county routinely makes us wait an additional 6-8 months after we have been sentenced to take us to LARC. I could receive medical attention there. I have been bleeding and in constant agony for the entire 10 months I've been here. Please make them help me or transfer me immediately.

Sincerely

Jai Quez Law
